

CITY SCHOOL TO OPEN SEPT. 2

Supt. Bradshaw Announces Faculty
and Comments on Outlook for
Good School Year.

(By Supt. G. W. Bradshaw)
As has been previously announced,
the schools of the city of Henderson-
ville will open for the current year
on Monday, September 2nd. The
faculty has been completed and all
plans and details for beginning work
are nearing completion.

And it appears that the chance for
the pupils to do excellent work in
their studies are better for the com-
ing year than ever before. The
teachers in the grades have been
chosen in every case because of their
special fitness to do the work they
are to undertake. All have had col-
lege training and one or more years
of experience in teaching.

The teachers for the primary and
grammar grade department are as
follows:

Miss Lois Edwards, Miss Anna
Crowder, Mrs. Ethel Patterson, Miss
Annie Scruggs, Miss Lalla Wynne,
Miss Gussie Dotson, Miss Katie
Price, Miss Alma Freeman and Miss
Rosa Edwards.

The teachers for the high school all
hold college diplomas, and, like the
grade teachers, have been chosen be-
cause of their special preparation and
fitness for the department in which
they will work. They are, according
to their departments, as follows:

Miss Bessie Steedman, Principal,
teacher of Latin and French.

Miss Bessie Jordan, teacher of
Mathematics and Science.

Miss Eileen Lewis, teacher of Do-
mestic Science and Chemistry.

Miss Margaret Bomar, teacher of
History.

Miss Ellen Rafford, teacher of Eng-
lish and Science.

The high school is now on the State
of North Carolina's accredited list of
schools and, therefore, must do a
standard grade of work. Ample pro-
vision has been made, too, by the
Board of Trustees, for this to be done.
And since promotions are now on the
unit basis, pupils will have a better
chance to choose the subjects in the
high school that seemingly will best
fit them for the course they wish to
pursue in college or for the profes-
sion in after life. A double course of
study has been adopted which will al-
low pupils to take either a four year
course in Latin, or a course covering
two years of science and two years of
French. Either of the two courses
will lead towards graduation, sixteen
full units being required of every pup-
il before a diploma is granted. The
minimum number of units in other
subjects will be required for gradua-
tion as outlined by the State Associa-
tion and the Southern Association of
accredited high schools.

No doubt there will be this year, as
in previous years, a number of pup-
ils who for one reason or another
were not regularly promoted last
spring or who will ask for higher
standing than their cards call for. All
pupils will be classified according to
their card recommendations, or special
examinations will be given to
those presenting certification cards
from some certified teacher stating
that such pupils have studied regu-
larly and systematically during the
summer. No recommendations will be
accepted from other than regular cer-
tified teachers.

Pupils wishing to enter the High
school will present their regular
County diploma showing that they
have completed the grammar school.
This certificate, regular examinations
will be given in all the seventh grade
subjects. Pupils coming from outside
of Henderson County must present
certificates showing that they have
completed a grammar grade course,
equivalent to the standards of this
county. And pupils applying for ad-
vanced high school standing will fur-
nish certificates from accredited
schools or stand examinations.

A new school census has been made
for the city of Hendersonville this
year, a copy of which has, according
to law, been filed in the County Su-
perintendent's office. A complete
copy has also been filed, on the index
card system plan in the office at the
city Graded School. This will give
first hand information to the superin-
tendent, the Board of Trustees, or
the patrons of the school as to lo-

REGISTRATION OF MEN SATURDAY

Saturday, August 24, is the day
that has been set aside by Provost
Marshal-General Crowder for the
registration of all youths who have
attained the age of 21 since June 5,
last. It is estimated that about
150,000 young men will register.
Registration will take place at the
city hall from 7 o'clock until 9 o'clock
at night. This will be the only regis-
tration place in the county.

BRILLIANT FETE HELD AT PARSONS FIELD, AUG. 13.

The entertainment at Parsonsfield,
on August 13, for the benefit of the
Red Cross was one of the most beau-
tiful and successful ever given in this
section.

The grounds were illuminated
with innumerable brilliant lights; the
whole scene being that of a veritable
fairland. The tableaux, as arranged
by a special artist, were truly artis-
tic. They represented France, Italy,
Belgium mother, Joan of Arc, Ameri-
ca and Spirit of the Red Cross.

These were staged out of doors, the
stately trees and fine shrubs forming
a wonderful setting.

The dancing on the terrace was the
very poetry of motion, delightful
music was furnished by a splendid
band from Camp Wadsworth. Mrs.
Lila Rhett led the dancing as queen
of the fairies. From the shadowy depth
of the shrubbery appeared Miss Rouan
as she was called by the queen, and
she in turn called Miss Clelia Mathews
and the Misses Durant.

All were in exquisite fairy costume
and danced in bare feet. Their per-
formance met with well merited ap-
plause.

More than two hundred cars were
along the drives leading to Parson-
fields besides numbers of carriages
and other vehicles.

The entire floor of the handsome
home was thrown open to the guests
who composed a representative audi-
ence from Hendersonville, Kanuga,
Highland Lake, Flat Rock and many
neighboring resorts.

Refreshments were served during
the evening.

About four hundred dollars was
realized from the entertainment.

LIEUT. OATES REPORTED AS AMONG MISSING

Lieut. William Holt Oates, son of
Mr. and Mrs. R. M. Oates, of Hen-
dersonville, is officially reported as
missing in action in France.

The following telegram was re-
ceived from McCain, the adjutant
general, at Washington, last week:
"Deeply regret to inform you that
Lieut. William H. Oates, infantry, is
officially reported as missing in ac-
tion, July 23. Will report first in-
formation received."

Lieut. Oates was home on a visit in
September before leaving for
France. He won his commission as
first lieutenant in the first training
camp at Fort McPherson.

Mr. and Mrs. Oates have not had
any information in addition to this
despite their endeavor to secure ad-
ditional facts in an effort to learn if
their son is dead or a prisoner in the
hands of the enemy.

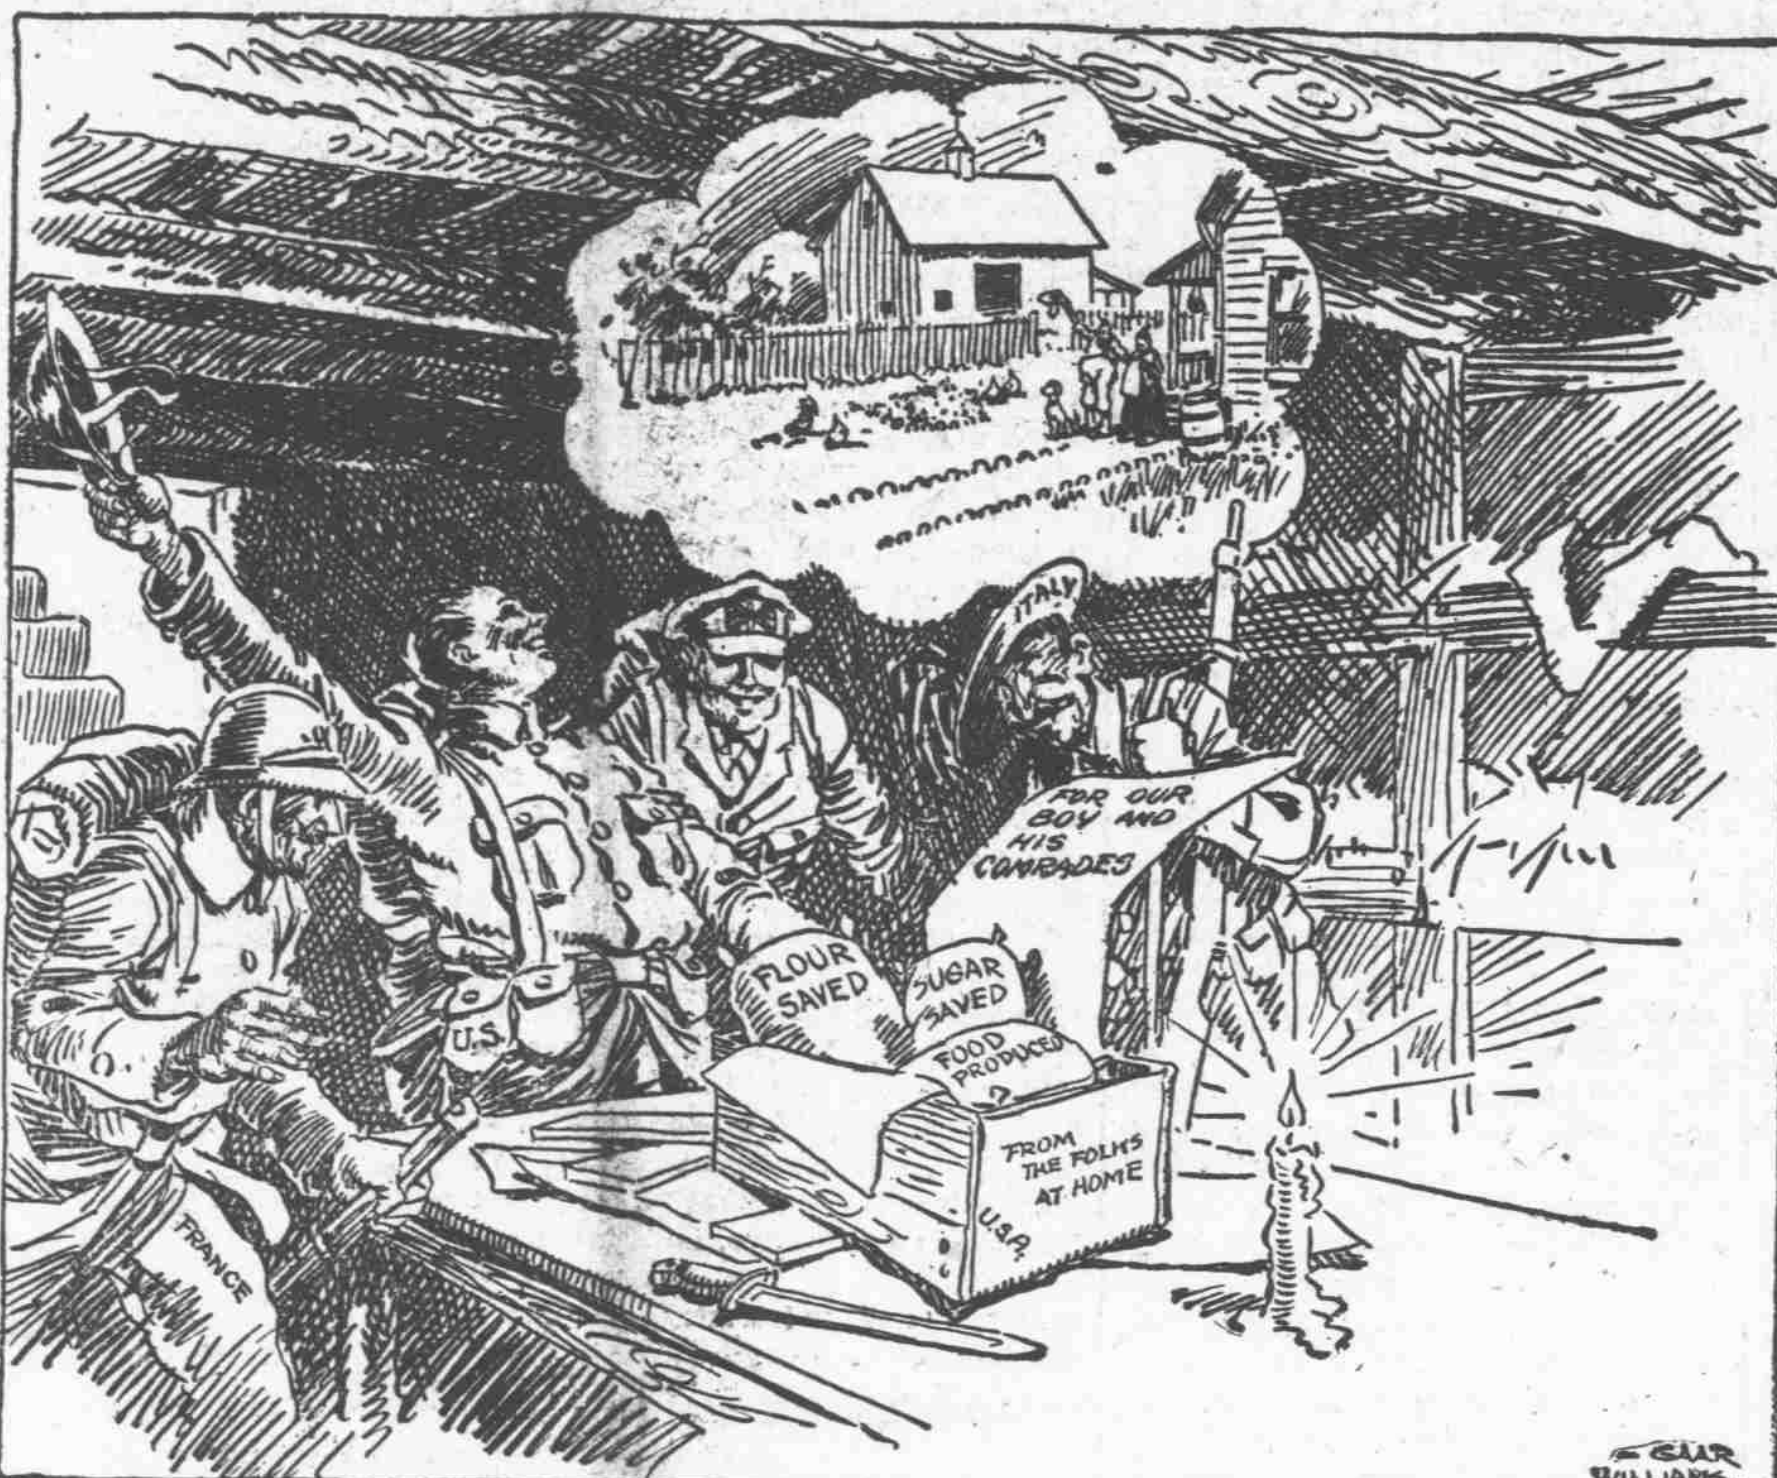

The last letter Mr. and Mrs. Oates
had from their son was written on
July 13. His friends are trusting that
death has not overtaken him. His
name has not appeared in the casual-
ty lists.

GASOLINE FAMINE IS OVER IN HENDERSONVILLE.

Hendersonville as well as other
parts of Western Carolina have suf-
fered on account of a gasoline short-
age. But the trying days are over
and the city has plenty of gas with
three cars on the road.

Mayor C. E. Brooks took up the gas
situation with the Standard and Texas
oil companies but learned that there
was no discrimination as many be-
lieved against this section. The
shortage being due mostly to the un-
usual demand caused by thousands
of visiting cars.

A BOX FROM HOME

Drawn by Gaar Williams, Division of Pictorial Publicity.

Food savings of millions of Americans during our first year of war enabled this govern-
ment to send enormous food shipments abroad for our fighting forces and the Allied nations.
Our savings in cereals—out of a short crop—amounted to 154,900,000 bushels; all of which was
shipped to Europe. We increased our meat and fat shipments 844,600,000 pounds. This was
America's "box from home" to our army abroad and the civilians and military forces of the
Allied nations.

HENDERSON CO. BOYS ANXIOUS TO GO OVER; SEVERAL BOYS PROMOTED

(By Roy C. Bennett)

Southport, N. C., Aug. 18.—Charles
W. Blum, D. Pearson Greer, J. P.
Mills, Muller Albert and Lee Whit-
mire have been promoted to the grade
of sergeants. McKinley Drake, Roy
Crarey, Claude Staggs and Harvey
Hamilton have been made corporals.
Wayland Beason and William C.
Crook have been promoted to the
grade of first-class privates.

Corporal Sam Freeman has been
transferred from the Sixth Co. to Bat-
tery A, of the 75th Regiment of Rail-
road Artillery. First Class Private
William H. McCall has also been
transferred to this battery.

Several weeks ago the following
men of the original sixth were trans-
ferred to Camp Eustis, Va. Sergeant
Glover Jackson, Corporal Charlie
Norris, Mechanic Henry Scruggs,
First Class Privates Jesse P. Hug-
gins and Claude L. Hathcock.

Practically all of the boys over-
seas have been heard from and they
all seem to be having a good time if
they are working hard and getting
some pretty stiff training for the
front. An especially nice letter was
received from Frank M. Bly, who is
with the 7th A. A's. All of our boys
are real anxious to join the bunch,
but we must wait till our number is
pulled, says the Colonel. Furloughs
are beginning to be uppermost in our
minds, too, but the commanding offi-
cer seems to be too busy to sign any
right now. We are hoping this rush
will soon be over or else he will get
some other officers to help him for
I'll tell you, just thinking about the
mountains is not satisfying enough
this hot weather.

S. S. OF THIS COUNTY FOR PROHIBITION

The president of the Henderson
County Sunday School Association is
sending out letters to every Superin-
tendent in the County urging them to
write to their representatives in
Washington urging their support of
the War Prohibition Amendment.

SCHOOL ENTERTAINMENT.

In connection with the Edneyville
Fire Association the children of the
Edneyville school will give an enter-
tainment at the school house Satur-
day night, August 31.

G. F. GARLINGTON LEAVES ASHEVILLE FOR KNOXVILLE

Gordon F. Garlington, who about
a year ago left the French Broad
Hustler, relinquishing
that position three months ago to ac-
cept the advertising managership of
the Asheville Times, left for Knox-
ville Monday to accept a position in
the advertising department of the
Journal and Tribune.

Mr. Garlington's long experience
with The Hustler stood him in good
stead and developed his taste partic-
ularly for the advertising field. In or-
der to receive further training along
this line that could be had with The
Hustler, he accepted a flattering offer
from the Asheville Times. His
real worth in this field made itself
known in Knoxville, where he was
called, at his surprise, by telegram,
and without his application, for a
conference as to work with the Jour-
nal and Tribune. The offer was suf-
ficiently attractive to induce him to
give up his work in Asheville.

Mr. Garlington has a particular
fondness for the advertising feature
of newspaper work and his training
in Knoxville will doubtless serve as a
preparation for more flattering posi-
tions.

Mrs. Barnwell finds
rooms for those in
search of lodging.

The occupants of the Smith office
building are co-operating in interest-
ing Mrs. L. R. Barnwell in the un-
dertaking of finding lodging for the
numerous guests in the city. While
there was always "room for one
more" some of the strangers had a
little difficulty in finding this room
and the service rendered by Mrs.
Barnwell was highly appreciated by
visitors.

Mrs. Barnwell has also interviewed
a number of prominent visitors and
secured publications of the interviews
in various publications, thereby giv-
ing this section some good advertis-
ing.

No charges are made for finding
rooms.

ICE MUST BE SAVED SAYS MR. BRIDGES

There has for the last few days
been a very serious shortage of ice
in Hendersonville, on account of
there not being a sufficient output at
the local plant and the plant's inabil-
ity to get it from nearby cities. The
local food administrator, W. M.
Bridges, has issued a request that
everyone cut down on the amount of
ice ordinarily used, and help con-
serve the supply in every way possi-
ble.

BIBLE STUDY MEETING.

Rev. R. V. Miller will hold his an-
nual meetings for Bible Study this
year in the Methodist church. The
meetings will begin next Sunday
evening at 8:30 and will continue for
eight days. All are cordially invited
to attend these meetings.

MR. BLACKBURN CUTS TIMBER FROM MT. HOME PROPERTY.

W. S. Blackburn, president of the
Mountain Home Company, has secur-
ed from this company a contract for
cutting the timber off the mountain
property and will cut between three
and four hundred thousand feet of
pine, oak and poplar.

Mr. Blackburn reports that the fa-
cilities of Mt. F. me this summer were
not equal to the demand and that 25
additional cottages could have been
rented. The hotel could not accom-
modate those who applied for accom-
modations.

ANNUAL DAHLIA SHOW

The annual Dahlia Show, given by
the Woman's Club, will be held in
Mrs. Cates' store building on North
Main street, next door to the Slay-
den-Fakes Grocery Co. The proceeds
of this show will be divided between
the kit bags and the Red Cross.

Asters as well as dahlias will be
exhibited and every one in the coun-
ty is urged to send flowers. Prizes
will be given for the handsomest col-
lection of six dahlias, for the largest
number of flowers in one collection,
for the handsomest collection of not
more than two dozen, and for the most
artistically arranged collection.

Additional prizes will be given for
the asters, and those obtaining hon-
orable mention for dahlias.

War breads, cakes and candies sold
will be made entirely by war recipes.
There will be music during the after-
noon. The Show will take place on
Wednesday, August 28th, at four
o'clock.

Any further information can be ob-
tained from Mrs. Erle Stillwell,
chairman of the Dahlia Show Com-
mittee, or Mrs. C. A. Hobbs, chairman
of the Advertising Committee.

VACCINATION OF SCHOOL CHILDREN IS REQUIRED.

County Board of Health Issue Follow-
ing Order and Places Same in
Hands of Teachers and Patrons

Whereas, on May 6th, 1918, an or-
der was passed by the Board of Health
for Henderson County, requiring the
immediate vaccination of all persons,
who had not been successfully vaccina-
ated within the past three years, and

Whereas, on August 5th, 1918, for
good causes appearing to the Board
of Health, it was ordered, that the at-
tention of the people of the county
be again called to said Order; and no-
tified that every school child must be
able to show compliance with this Order
and Regulation by September
15th, 1918, or be excluded from at-
tending school, in addition to the
other penalties fixed by law, for the
violation of said Order.

Therefore, this Notice is given that
all may have ample time, and full op-
portunity for compliance therewith.
This August 5th, 1918.

J. T. STATON,
Chm. Board of Health.

W. S. SHITLE, Clerk.
NOTE.—Dr. A. B. Drafts, County
Health Officer, will vaccinate, free of
charge, all who present themselves
at his office, during office hours, furn-
ishing their "vaccination points."

C. F. BLAND SUCCEEDS MR. JACKSON AS WAR SAVINGS CHAIRMAN FOR THIS COUNTY.

Brownlow Jackson found it neces-
sary owing to the time it would re-
quire to manage the campaign for
James J. Britt for congress and to at-
tend to his other business duties, to
resign as War Savings chairman for
this county and recommended the
appointment of C. F. Bland, whose
appointment was duly made by State
Chairman Fries.
